

## The Windsor 'Compact' Bath

The Windsor 'Compact' is the smallest model in our range. This slide-in bathtub is perfect for those needing a model that will fit into an existing shower or a smaller bathroom. To the best of our knowledge, this is the smallest model available in Australia.

Despite its compact size, it is deceptively large inside, and is suitable for all but those of a heavy/large build.

**Dimensions (L/W/H):**

37.4" x 27.5" x 37.4" (95cm x 70cm x 95cm)

**Colors:** White

**Product Features:**

- Fits in smaller spaces and shower areas
- Low water usage
- Easy opening, non leak door
- All Australian sourced, Australian Standards Compliant, plumbing including custom made super fast-fill taps from RAM taps and fast draining Hepflex drainage.
- Stainless steel frame
- Made of marine-grade gel-coat fibreglass
- Moulded seat and back with head and seat cushions

**Optional:**

- Hydrotherapy air-spa system from CG Air in Canada. This is not a standard pool spa, but a specialist hydrotherapy system from one of the worlds leading suppliers. Purpose designed to alleviate pain symptoms from rheumatism, arthritis and other similar painful conditions.  
System purges itself between uses to help prevent cross infection.
